 Non-Members \$36.00 per league per session

DOUBLES Leagues will be open to all levels of ability using a challenge ladder System. A ten-minute warm-up followed by three abbreviated sets, first to five games using traditional tennis scoring. Playing with and against all players on the court, most games won moves up a court and fewest games won moves down a court. Subs have no effect on the ladder position, two consecutive absents automatically moves a player down.

Please return the registration form by September 3rd. You will not be considered a league member unless your form is returned. You will be billed the following month for league play. If you have any questions call Dale Nurnbirg at 265-6928.
